

## **Bequeathed**

The Macular Society's membership of Bequeathed means we can offer members and supporters an online Will for free.

Bequeathed's simple and convenient service allows you to start your Will online and complete it in the way that best suits you – online, face to face or over the phone. They'll take you through the process, step by step.

You get all the information and guidance you need to make your Will online for free. Once it's done, you print it out at home for signing, witnessing and storing.

Bequeathed will also help you identify issues where you might benefit from legal advice. If you do need legal advice, Bequeathed will put you in touch with one of their partner solicitors, who will give you a price for completing your Will either face to face or over the phone.

There is no obligation to leave a gift in your Will to the Macular Society if you use Bequeathed's service. However, we very much hope that, after taking care of your loved ones, this is something you'll wish to do. If so, you'll be supporting vital research to find new treatments and a cure for macular disease, and helping us provide much-needed support and advice so that no-one faces macular disease alone.

**A gift in your Will, large or small, would truly help us beat macular disease for good.**

It will save time if, before starting your Will, you have already made some important decisions and have certain information to hand:

- Try to estimate the value of your estate, including property, savings, shares and significant debts
- Decide on your executors and any guardians you need to appoint for your children
- Decide what should happen to any pets you may own at the time of your death
- Think about any specific personal items you'd like to leave to family and friends
- Think about family, friends and charities you wish to leave cash sums of money to and how much. Have their details (names, addresses, registered charity numbers) to hand.
- Decide how you'd like the residue of your estate shared out; this is what's left when specific and cash sums have been distributed
- You will also be asked about funeral wishes such as burial or cremation and donations to charity instead of flowers.

## **Data Protection**

The Macular Society process and analyse your data, including whether you have macular disease or not, to send you relevant information. We will never sell your data or share it with anyone not directly working on our behalf. For more information, find our privacy policy at [macularsociety.org/privacy](https://macularsociety.org/privacy).

## **Accessibility**

The Macular Society is working closely with Bequeathed and other sight loss charities to help make their service fully accessible to visually impaired users.

The information contained in this document relating to wills, estate planning, inheritance tax and similar matters is outline information of a general nature only. The Macular Society cannot and does not provide legal or financial advice, for which you should always consult a solicitor or independent financial adviser.
